Impact DuPage is a partnership of stakeholders uniting to create a common understanding of community needs, gaps, and priorities that will advance the well-being of the DuPage County community.

What We Do Now

- Centralized location for data and resources
- Broad, multi-sectoral action on issues impacting DuPage County residents
- A coordinated system of community needs assessments
- Share successes to promote a culture of collaboration

Future Impact

- A greater, collective impact on the well-being of our community
- A common understanding of community needs, gaps, and priorities
- Alignment/better use of resources
- Data-driven solutions

How to Become Involved

- Help create a common understanding
  - Use the website to access data, action plans, and other resources. Contribute content if you see something missing.
  - Host a mini-dashboard. A mini-dashboard is a widget that is embedded on a website, allowing organizations to display data related to its mission and furthering collective impact by driving visitors to one central location for data.
- Request a presentation
- Sign up for the newsletter at www.impactdupage.org
- Join a coalition through Impact DuPage to participate in work on priorities

Well-being begins where we live, learn, work and play. Opportunities for well-being start at home, in our neighborhoods and work places. All people—regardless of background, education or money—should have the chance to make choices that lead to a long and healthy life.
